

# The Moose Sponsorship Club

The Post 42 Moose would like to thank all their sponsors for their financial assistance. Donations play a huge part in the organization and contribute to the Moose having proper equipment, quality uniforms, insurance, entry fees, etc. Overall, if it weren't for the various sponsors, the Moose wouldn't be able to participate at the level they currently do.

The Moose have organized a Sponsorship Club to recognize those who have graciously donated. When you get an opportunity, please thank the following individuals for their contributions and dedication to local athletes.
