

September 28, 2011

Dear School Nurses for the Deaf,

The busy school year has started for all of us by now. We hope you are finding time to relax during your busy school schedules.

We hope you all had a fantastic summer! The NASND conference was a big success. Kansas School for the Deaf and Missouri School for the Deaf co-hosted the conference at KSD in Olathe, Kansas this past July. The worked really hard in trying to make all the nurses feel at home plus feed them full of great information from all the great speakers they had. Thanks KSD and MSD!

Now that our conference is over and part of our past, we need to start thinking about the next one in 2013!! The board is looking for a place to host the Board Meeting in June or July of 2012 and a school to host the conference in 2013. The Board meeting is 2 days long and conference is usually 2 ½ to 3 days. If you are interested please let myself or the other board members know. We are grateful for all the schools that have hosted in the past, but would really like to try and get a new school to host. When hosting a conference or meeting it is a great way to share your school's campus and ideas with the other nurses.

If you are not a current member of the organization we encourage you to consider joining! It is a great way to network with other nurses that work in the same type of environment. We would like to be able to reach out to as many nurses as we can. Members if you have co-workers that are not yet a member, please encourage them to join. If you have not renewed your membership, please do so soon, so we can update our membership list. Membership is \$40 for 2 years. You can renew or sign up a couple of different ways, by mailing in the membership dues to Sheri Burton, President, from Kansas School for the Deaf at 450 E. Park St. Olathe, Kansas, 66061 or to Cindy Koziolk, Treasurer, from Minnesota at 615 Olof Hanson Dr. Box 308, Fairbault, Minnesota, 55021 or by going to website [www.nasnd.net](http://www.nasnd.net).

Please if there are any questions, comments or ideas feel free to contact any of all of the Board members. We look forward to working together and seeing you at the conference in 2013!

Sincerely,

Sheri Burton, President, KS School for the Deaf
